Hope Restores

Hope Restores Corporation is a non-profit 501(C)(3) organization aimed at uplifting, empowering and restoring the African American community in Western Wisconsin through education, preservation and advocacy.

While ethnic equality benefits the entire community, the work we do is culturally-specific for the black community.

All services aim to help people of color receive resources that support their needs. We use a cultural approach that helps our clients feel comfortable and not judged. hoperestoreswi.org

theExchange

Through the effective reuse of donated items, theExchange collaborates with local organizations to provide home essentials for community members in need. Since 2016, theExchange has served over 1900 local households, and reduces landfill space by thousands of pounds each year.
