

2022 Service Auction Fundraiser

The Holmen Area Rotary Club will hold their Service Auction fundraiser on Friday Evening, May 6th at the luxurious Waterfront in the spacious Cargill Room and patio. The event starts with a social hour at 5:00 and includes an appetizer buffet, a Live Auction of unique items and services, bucket raffles and more. Auctioneer Alex Goodman sets a fun and active pace for the evening. Live Auction items in the past have included gourmet cakes, airplane flights, sailboat excursions, weekend getaways, special dinners, grass cutting, car detailing and many, many more. Items will be listed on the website as they are announced. Tickets are only \$25 or invite some friends and sponsor a table for 8 at \$250. Price of the ticket includes a fabulous hot appetizer bar and there will be a cash bar. Event sponsorships are also available. For \$300, we would LOVE to place your logo on our printed program, show it before, during and at the end of the auction as well as mentioning your support of the event throughout the evening. Your sponsorship includes two tickets so you will be able to sit among the attendees and participate in the evening along with everyone else! Be a part of an exciting evening of fun, community, food, and auction to raise funds for Coulee Region Community needs. This event is our club's largest fundraising effort; it has been happening for 13 years and has raised over \$100,000 that has been used to make our community and world a better place.
